Match Chair Rachel Stanton :

"I would like to express appreciation for the people who worked hard and contributed to the success of the match.

First, many thanks to the show committee, Karen Fergus and Show Secretary Deb Motley, and Board Liaison Penny Freburg, all of whom spent freely of their personal time and/or funds to make this all possible. Thanks are also due to Kim Baillie for helping us with the AKC paperwork helping us get the details right.

Thanks go as well to everyone who donated time and talent and \$\$\$\$ to make it happen. We received donations of money from Kathy Marturano, Deb Motley, Robin Kowalski, Elaine Challacombe, Sandy Coats and Pam Lemke. Dave Eckardt donated the dog toys for door prize bags. Cindy Higgins donated the lovely original drawing that marked the ring placements. Karen Fergus donated toys and dog treats that were handed out with the ribbons. Pam Duffey created snoods for the top winners of the day. Debbie Motley came down from Eveleth and stayed over in the Twin Cities at her own expense, then sat through the entire match and meeting entering the data so we would have our catalog made and printed in a timely manner. Kim and Mark Baillie made funds available to us from a donation made to them by Randal and Linda Nord to cover the expense of our ribbons.

And then there were the all important "worker bees" without whom no colony can survive - folks who showed up early and stayed late doing set up and tear down and clean up and helping with the process of collecting entry fees and forms and creating Judges' books and arm bands. My husband Kim, Nancy Carlson, Linda Quinn, Karen Fergus, Deb Motley and Penny Freburg - to name a few! Sharon Wanous created the door prize bags; Karen Fergus, Marge Smith and I put together our Mexican pot luck dinner; Robin Kowalski helped with set up and sat ringside as our outside steward to get

the classes into the ring correctly, and Karen Fergus was our inside steward double checking that everything went right. Mark Baillie spent the afternoon behind Dave Eckardt's camera so we will have photo memories of the event.

There were many who offered help and support throughout the process. This was truly a team effort and labor of love, and helped to complete our education on how to put on a show. I had fun; I hope you did too!"

Match Chair

Rachel Stanton,
